Thanks. Also we were wondering what the schedule was for the newest south farmingdale water district wells. At a meeting w/ DEC last December, Doug thought he heard that they would be installed this summer? Is this accurate?

Thanks,
-Carol-

Lora,

Can you update Carol on the MW/ OPW status?

Thanks,

Thanks Steve. The attachment indicates that for MWD, well BPOW 6-3 and 6-4 were completed in December, BPOW 6-5 would be completed in Jan '15, and BPOW-6-6 would be done in February '15. I assume that these are the actual monitoring wells for MWD, or are they looking for more info as per our discussion?

Thanks.
